1 Introduction

Welcome to your Benefits Booklet.

We are incredibly lucky at the MTC to work alongside such a skilled, capable and committed team of people. We in turn are committed to giving something back to you and are delighted to offer you a range of benefits as set out in this booklet.

We understand that you may have different needs depending on what stage you are at in life, so we strive to offer a wide range of benefits. From smart holidays to car schemes and professional subscriptions to staff awards, we have something for everyone.

You will find a summary of all the benefits we offer over the next few pages. If you do need any further information on any of these, please do not hesitate to contact a member of the HR team. You can also find some detailed information on the HR pages of the BMS.

2 Working at MTC

Holidays

We want you to enjoy a healthy work/ life balance and offer an attractive annual leave entitlement to support this.

You are entitled to 33 days paid holiday each year, including 8 public holidays (part time workers holiday entitlement is pro-rated).

The holiday year runs from January to December and leave can be booked simply and swiftly online through AX. The MTC normally closes between Christmas and New Year and you will need to take these days as part of your leave entitlement.

You will also benefit from one additional days holiday entitlement after four years continuous employment and for each subsequent continuous year of service up to a maximum of 6 additional days.

Smart holiday

We want to ensure your holiday entitlement works for you so in addition to your contractual holiday, you are offered the option to purchase up to 5 days extra annual leave by sacrificing pay or to sell up to 5 days annual leave for additional pay.

There are two windows during the year when the smart holiday scheme is open to purchase or sell holiday and we will let you know when these windows are open and the process for applying.

Flexible working

We want to offer our staff flexibility and choices at work to help balance work with personal responsibilities and interests. A suite of flexible working policies are available to you;

Career break/ sabbatical: if you have one year's service you can apply to take a career break or sabbatical.

Emergency time off for dependents: you can take (unpaid) time off to deal with an emergency.

Flexible working: you can request flexible working if the standard flexi hours scheme does not give you the flexibility that you need. The core hours in the current flexi hours scheme are 10:00 to 14:00 Monday to Friday with a minimum 30 minute unpaid lunch break.

Homeworking: you may have the option to work from home or remotely if it is appropriate for your role. Please see the homeworking policy for more details.

Part-time working: we recognise that part-time working can be a good way to balance work and home commitments and we offer you the option to work part-time.

Talent partnerships: a talent partnership is a form of flexible working which enables two employees to voluntarily share the responsibilities and duties of one full time job. Pay, benefits and leave entitlement are allocated on a pro rata basis (divided approximately by hours worked). This may benefit you if you are returning from extended leave or considering the start of a phased retirement.

Phased retirement: for those in the later stages of their career, we offer the option of a phased retirement.

Details of all our policies can be found in the HR section of the BMS.

Clubs and societies

We understand it can't be all work and no play, so we encourage (interested) staff to establish and participate in MTC clubs or societies. We have a number of clubs and societies established already at the MTC, including the Badminton Club, Charity Raft race, Flight Club, Football Club, Golf Society, Running Club and the Tilly Shilling Initiative.

New clubs or societies can be created by 10 employees or more who have a mutual interest in a particular activity. MTC will support these groups with a budget of up to £500 per year.

Staff restaurant

We have excellent catering facilities on site with three different cafeterias available to you. Drinks and snacks can be purchased throughout the day, with breakfast served between 8-10am and lunch between 12-2pm. There is a wide selection of hot food options, as well as sandwiches, salads and soups. We subsidise your food purchases within the cafeteria when using cashless payment.

There are kitchen areas located across all our buildings with free tea and coffee and fridges should you prefer to bring your own food. Microwaves are also available in the cafeterias.

Professional subscriptions

We offer up to £350 a year for a professional subscription to the ImechE (or other relevant institutions). To keep it simple we ask that staff are reimbursed through the expenses process.

Car parking

Free car parking is available at Ansty Park, with covered parking for bikes. Whilst onsite parking is not available at the Liverpool John Moore MTC facility, the public transport links are excellent.

Birthday breakfast

We invite all our staff to attend a birthday breakfast during the month in which your birthday falls. You will receive an invite a few weeks in advance and, as well as a free breakfast, you will have the opportunity to meet your Executive Team and colleagues from across the organisation who share your birthday month.

Multi-faith prayer room

A multi-faith prayer room is provided for your use on the first floor of the AMTC building.

Relocation assistance

We can provide relocation assistance to support relocation to within a commutable distance of the MTC site at Ansty. More information can be found within our relocation policy (see the HR section of the BMS).

3 Celebrating your success

Long service

We know how hard each of you work and how important holidays are to encourage a work/life balance. With this in mind, we wish to reward long service by offering an additional day's holiday after four years continuous employment with us. Furthermore, we offer an additional day's holiday for each subsequent continuous year of service up to a maximum of 6 additional days. This entitlement will automatically be added on to your holiday allocation in AX.

Staff awards

We want to celebrate, thank and reward our staff for hard work, success and commitment. The RIGHT Way Award and the Exceptional Performance Award recognise the positive contribution, impact or success our staff members have had. Team building

To celebrate your team's success we encourage teams to arrange a team building event (outside of working hours) where we will provide up to £65 per head per year. 8 For your future

Pension

We provide a highly competitive pension scheme to our staff – we pay an employer contribution at twice the contribution you make (up to a maximum employer contribution of 8% of gross basic salary). You will be automatically enrolled in the pension scheme (if you are eligible to join) at the current minimum legal contribution rate. You can opt to change your level of contribution into your pension, and this will need to be done in writing.

The MTC RIGHT pension is a salary sacrifice pension which means that your contribution is deducted from your gross basic salary before TAX and NI is deducted. This can lead to both tax and NI savings for you.

If you aren't eligible for the RIGHT pension, you will automatically be enrolled in the Group Pension plan where you will still receive an employer contribution at twice the contribution you make and still receive tax relief on your contributions.

For more details on the pension, see the pension info in the HR section of the BMS or speak to our Payroll Administrator.

Learning & development

We're committed to building a highly capable and motivated workforce at the MTC and we will provide learning and development opportunities linked to your own personal goals and those of our business. You can request training at any time by completing a training form (accessed via the HR section of the BMS) and submitting to our Learning and Development Manager.

We encourage our staff to study to achieve relevant educational qualifications and in some cases, we may be able to provide support in funding course fees and day release where this is appropriate to the interests of the business and where funds are available.
